EXTERNAL COMPETITIONS

Photographic Society of America (PSA) Interclub Competitions

The Wangi Camera club has become a club member of PSA with the specific purpose of entering the international interclub competitions run by PSA during the year. Competitions are on-going so keep an eye on our club website for Posts by Ian English for the next entry dates.

Round 1 (2022/2023) judging results for Mono, Travel, Colour and Nature are now available and are listed in Appendix A of this Hocus Focus. In Mono Rita England and Megan Willis received Merit Awards and Dianne English received an Honourable Mention. In the Travel category Dianne English and Rita England received Merit Awards (Each got 15 points maximum score!). In Colour Tanya Heather and Megan Willis received Merit Awards and Tim Kemp and Ian English received Honourable Mentions. In Nature Michael Martin received a Merit Award and David Price got an Honourable Mention.

Thanks for your help in keeping our club profile high with PSA. We really do so well for such a small club, and it is because our members are involved and invested in the process. Thanks for your past support and let's keep the momentum going.

I have set up the competition buttons for the five Round 2 competitions on the website. I have deleted all of the images selected for Round 1 and left the rest.

Round 2 entries on our site close on Sunday 29 Jan.

Please go in and see what you have entered and if you have some new images you want to try out, please delete any old ones and replace them.

It is an ongoing battle to get our best images uploaded and I don't like to appear that I am hounding people. We are all very busy at this time of year but early New Year is a perfect time to have a look at this.

If you would like a copy of the Excel file of all our club entries since we joined PSA, please let me know. This is a good way of knowing what you have had represent the club in the past. I would put it on the website, but it is a constantly changing document.

Have a safe and happy Christmas break.

Cheers

Ian English 0411136571 ianenglish999@gmail.com

MEMBERS CORNER

General Items

Matt Boards are available to purchase at all club meetings. \$12 for 4 suitable for A4 images; or 3 suitable for A3 images.

Please ask for help from committee members if you need help with your camera or with editing. Many members have the skills and knowledge and are happy to help others.

Check the files available under Club Rules and Documents/Tutorials. There is lots of good information in there.

Keep an eye on our club website and the Facebook Page for up-to-date information.

John Frost Life Membership

John Frost was honoured with a club life membership at the Christmas Party evening. John's commendation was presented by Colleen Price with the following speech.

"I would like to award a lifetime membership to John Frost in recognition for his commitment and dedication to Wangi Camera Club over the years.

John is someone you can rely on to manage and coordinate behind the scenes for all our meetings. He is the master of all things visual, and audio and he always makes sure our equipment is fit for purpose. He downloads the competition presentations and projects these skilfully on competition nights.

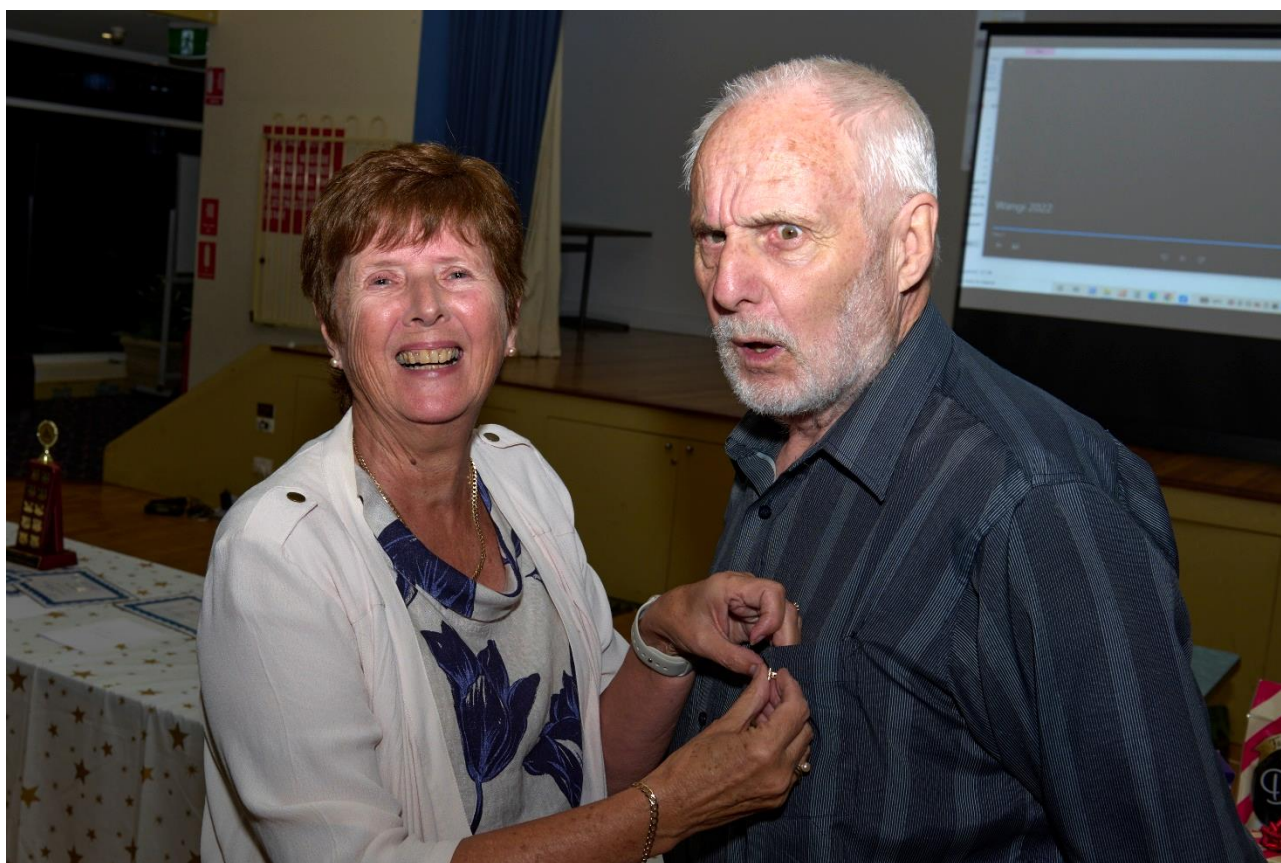

John is a past Tutorial coordinator and is an active committee member always willing to take on responsibilities as required.

He is the one we turn to when research and purchasing of all things technological is needed. John manages to get us exactly what we need.

I might struggle at times with your dry, witty, British sense of humour, John, but we all appreciate the laughter and good humour you bring to our gatherings.

Thank you, John, and please accept this lifetime membership in recognition of all you have done."

Portfolio Interest Group

Portfolio Interest Group meetings will continue in 2023 on the first Monday of each month commencing in February.

The idea is to all choose your own theme and provide a brief statement of intent. (This is basically what your images are depicting; the story they tell). Choose 6-10 images that follow that theme. Create a final image which is a collage of the images presented as a summary with images arranged to create one cover image.

The idea of group's meetings is to help critique each other's images and help with ideas on the best images to use once a theme and intent is known. We will have till October to complete these and can decide to present to the entire club or not. Members will get help with editing ideas and possibly improve their art.

Contact Colleen pricecolleen54@gmail.com if have any questions.

Learning from the Judges' Comments on Digital Images

As we all know, when a digital competition is published, we receive an auto-generated email detailing the award given, points scored and the Judge's comments. The comments are often very useful to help us improve our images.

Our judge for June 2022, Ian Marriner, pointed out that as well as learning from the judges' comments on our own images, we can also all learn by reviewing the comments on other people's images too.

The Judge's comments can be viewed on individual photos by clicking MEMBERS Button to get the Members Page and then click a published digital competition to display the entries. Clicking on an entry opens another page showing the image, the judge's comments, and a comments box where you can add a further comment or congratulations, if you wish to do so. From this page you can cycle through all the entries.
