## **EXTERNAL COMPETITIONS**

### **Photographic Society of America (PSA) Interclub Competitions**

The Wangi Camera club has become a club member of PSA with the specific purpose of entering the international interclub competitions run by PSA during the year. Competitions are on-going so keep an eye on our club website for Posts by Ian English for the next entry dates.

**Round 1 (2023/2024) judging results for Mono, Travel, Colour and Nature are now available and are listed in Appendix A of this Hocus Focus.**

In Photojournalism Susan Hansell and David Price received Merit Awards also Marie Kildey received an Honourable Mention. Congratulations to Susan, Marie, and David on their well-deserved awards.

In Mono Ian English received an Honourable Mention.

In the Nature category Ian English received a Merit Award (14 points almost a maximum score!).

In Travel David Whyte received a Merit Award and David Price an Honourable Mention.

In Colour Tim Kemp received a Merit Award and Dianne English got an Honourable Mention.

Thanks for your help in keeping our club profile high with PSA. We really do so well for such a small club, and it is because our members are involved and invested in the process. Thanks for your past support and let's keep the momentum going. I have set up the competition buttons for the five Round 2 competitions on the website. I have deleted all the images selected for Round 1 and left the rest.

**Round 2 entries on our site close on Sunday 29 Jan.**

Please go in and see what you have entered and if you have some new images you want to try out, please delete any old ones and replace them.

It is an ongoing battle to get our best images uploaded and I don't like to appear that I am hounding people. We are all very busy at this time of year but early New Year is a perfect time to have a look at this.

If you would like a copy of the Excel file of all our club entries since we joined PSA, please let me know. This is a good way of knowing what you have had represent the club in the past. I would put it on the website, but it is a constantly changing document.

Have a safe and happy Christmas break.

## **MEMBERS CORNER**

### **General Items**

Matt Boards are available to purchase at all club meetings. \$12 for 4 suitable for A4 images; or 3 suitable for A3 images.

Please ask for help from committee members if you need help with your camera or with editing. Many members have the skills and knowledge and are happy to help others.

Check the files available under Club Rules and Documents/Tutorials. There is lots of good information in there.

Keep an eye on our club website and the Facebook Page for up-to-date information.

### **Portfolio Interest Group and Photo Help Group**

Next year we are going to expand the Portfolio Night and rename it "Special Interest Night". The special interests will vary depending on members interests. Things like A Landscape Group; Editing Help Group; An Experimental and Creative Group; A Nature Group; A Portrait Group; A Portfolio Group etc. This will be decided at our first meeting on 5th February 2024.

Contact Colleen pricecolleen54@gmail.com if have any questions.

### **Learning from the Judges' Comments on Digital Images**

As we all know, when a digital competition is published, we receive an auto-generated email detailing the award given, points scored and the Judge's comments. The comments are often very useful to help us improve our images.

Our judge for June 2022, Ian Marriner, pointed out that as well as learning from the judges' comments on our own images, we can also all learn by reviewing the comments on other people's images too.

The Judge's comments can be viewed on individual photos by clicking MEMBERS Button to get the Members Page and then click a published digital competition to display the entries. Clicking on an entry opens another page showing the image, the judge's comments, and a comments box where you can add a further comment or congratulations, if you wish to do so. From this page you can cycle through all the entries.

**APPENDIX A - PSA INTERCLUB COMPETITION RESULTS**

**ROUND 1 2023/2024**

## PSA INTERCLUB ROUND 1 – PHOTOJOURNALISM RESULTS

Who would have thought that our best result in Round one came in PJ, traditionally not our strongest genre. We sit in equal second place.

Congratulations to Susan, Marie and David on their well-deserved awards.

That wraps up the results for the first round. The Round two comp buttons are now active on the website.

Some eagle-eyed readers may notice that Marie's image scored higher than David's yet received an HM award and not a Merit award. In the judging process, the three judges complete their scores individually and the top total scores are then considered for the awards. It is then that the judges discuss the images and distribute the awards and that can mean that a lower scored image can be elevated to a higher award.

## PSA INTERCLUB UPDATE

I received an email today from PSA saying the following:

Congratulations on the excellent images in PSA Color Interclub from your club members this year and your leadership. This certificate has been designed to recognize your accomplishments. The top three clubs in every group will move up to the next level and this move will be in place by Aug15 with your club moving into Group A.

This is also a reminder for all members to move your already entered or new images into the respective PSA Interclub folders.

If you have a new image and enter it in PSA Interclub then it will be on the MyPhotoclub system and available to easily access for future club comps.

Thanks so much to the members who have already uploaded images for selection in our club PSA entries, I very much appreciate it.

Cheers, Ian
